The Italian major consists of eight courses at the 2202-level and higher. The major’s core requirements are three courses: ITAL 2202 (Italian IV), ITAL 2203 (Languages, Literatures, and Identities), and either ITAL 2204 (Cinematic Eye of Italy) or ITAL 2900 (Perspectives on Italian Culture). Of the five electives, all must be at least 50% concerned with Italian culture, two must be conducted in Italian, and one must focus on a historical period prior to 1800. Students may, if they wish, apply up to three eligible courses toward the major from study abroad. Students may also wish to pursue Honors in Italian by writing a thesis during their senior year and enrolling in ITAL 4290-4300. (Honors coursework is in addition to existing major requirements.) The minimum grade for a course to be applied toward the major is B-; no courses may be taken S-U.
